

Expectations

I promise to observe the high standards expected of all senior students. I will:

- actively **support the Catholic ethos of the school** and **respect** all members of the school community, regardless of their role.
- aim for **100% attendance**; any absence will be unavoidable. I will NOT take holidays during term time (exceptions made in extenuating circumstances only).
- be **punctual** and leave the sixth form in time to get to lessons in plenty of time
- follow safeguarding procedures including **signing in/out** and wear a **lanyard/badge**
- wear sixth form **uniform** correctly
- strive for '**Excellent**' **Attitude to Learning**.
- **work purposefully** in 'STUDY' periods and '**go above and beyond**' by reading around the subject, working hard on extended learning tasks; actively seeking additional support and attending support/intervention sessions when needed.
- **meet all course requirements***. I will meet coursework deadlines, sit external examinations, controlled assessments and practical work that I am entered for**, complete exam preparatory notes to a high standard, complete homework tasks, seek and catch up missed work, work in an organised way, manage folders and bring in correct equipment etc.

*** School reserves the right to remove students from subjects if course requirements are persistently not met or there is persistent underperformance with a significant risk of failure.**

****Students will be charged the entry fees for any examinations or controlled assessments they are entered for but do not sit without a valid reason.**

- '**get involved**' in wider sixth form life and participate in **extra-curricular courses** such as First Aid, MOOCs, British Sign Language, work experience and **show initiative** by eg starting a club or organise a charitable event
- **respect** school resources and buildings and **report any damage**; accidental or otherwise.
- **not bring energy drinks or take-away food** into school

Sixth Form students observe these expectations at all times when representing the school. This includes travelling to/from school, trips, work experience as well as during school time.

On the rare occasion that a student repeatedly makes poor choices, the school reserves the right to review their place in the sixth form.
